Sir,

Alienation - land - Bellary Taluk and Town - S.No. 506/B-2b. - now denoted as S.No. 506-I - alienated to the Municipality - resumption - recommended.

Enclosures____

Spare Copies____

S.No. 506/B-2b of Bellary town, now denoted as S.No. 506-1, was alienated in favour of the Municipal Council, Bellary, in B.P. Misc. 458 dated 4-3-1925, on condition of maintaining the well in it in good order and to keep it for the use of the public. The well is situated near the quarters of the Superintendent, Central Jail and he wants to use it for his quarters, by having a pump and pipe connection to his bungalow, as much difficulty is experienced for want of water. The Executive Engineer, Bellary, requests that the well with the site may be handed over to the P.W.D. for the purpose. The Municipal Council is willing to hand over the well on payment of Rs.500/-, being the cost of the well, as shown in the register of immoveable properties. A copy of the Council's resolution No. 20 dated 30-7-1938 is enclosed. The question of payment of the book-value of Rs.500/- to the Municipality does not arise, since the well, with the site, is the property of the Government which was only alienated to the Municipality for a public purpose. As the Municipality does not now want the well for the use of the public, I

recommend

2

I recommend that the grant of alienation may be resumed to Government, so that the well with the site, may be handed over to the Public Works Department.
